ABOUT LACOMBE FOUNDATION AND THE BETHANY GROUP

The Lacombe Foundation is a public management body, under the Province of Alberta, with a mandate to provide affordable housing for seniors and low-income families in the area of Lacombe County. It is our hope that, through the programs we offer, we can help strengthen our communities and turn them into places anyone can call home.

The mission of Lacombe Foundation is to provide safe and affordable housing and support, dignity and quality of life for seniors and families in the communities of Lacombe County. It is the belief of Lacombe Foundation that "everyone needs a home," and our mission statement stays true to that belief. It is our goal to help provide housing for the people who need it most.

Everyone needs a home; a place to belong; a place of safety and security; a place that gives them roots, stability, and a feeling of worth; a place that assures them of their human dignity; a place to feel relaxed and comfortable; a place to entertain family and friends; a place to maintain their independences and make their own choices; a place they can take pride in. Our vision is to become the best housing provider in the province!

In 2011, Lacombe Foundation partnered with The Bethany Group to assume management functions for the Foundation while reporting to the Board of Directors.

The Bethany Group has a long history of responding to community needs with innovative solutions and strategic partnerships. The latest relationship, established in January 2015, with Parkland Foundation is an example of the organization's dedication to providing housing and care to those in need. The foundation joins a family that includes Lacombe Foundation, the Flagstaff Regional Housing Group, and Red Deer Housing Authority. In addition to Wetaskiwin & Area Lodge Authority and Camrose & Area Lodge Authority, the organization operates as the management body reporting and accountable to the existing local community Boards and the Government of Alberta.

Through these relationships The Bethany Group and its partners pool their resources and can develop their capacity to respond to new directions of government and community needs, as well as explore new initiatives.

LODGE PROGRAM

The mandate of the Seniors Lodge Program is to provide affordable room and board for senior citizens who are functionally independent or functionally independent with the assistance of existing community-based services.

The facilities are audited by and in compliance with the standards set by the Government of Alberta.

The *Lodge Priority Rating System* is a standardized lodge entrance criteria across Alberta. Through an application and interview process, an applicant's eligibility is assessed with consideration given to low-to-moderate income seniors 65 years or older.

Lodges provide the privacy and comfort of home while offering a community environment where an active, carefree life-style is encouraged.

Core services provided by the lodge include:

- basic room furnishings (if required);
- weekly housekeeping services;
- three meals per day, as well as daily snacks;
- building security;
- 24 hour non-medical staffing;
- access to community-based services; and,
- opportunities for life enriching activities to enhance physical, emotional, social, spiritual, and intellectual well-being.

To find out more about the lodge program, please feel free to contact the Lodge Manager.

LODGE CRITERIA

The following information and conditions are presented to help lodge applicants and their family members make plans for appropriate housing choices. Listed below are areas that need to be considered when choosing the appropriate facility. Where the manager or coordinator feels that the applicant's needs may not be met with confidence and safety, alternate housing options will be discussed.

Please note that Lodges are **not** a substitute for Continuing Care; however, individuals who receive support and assistance from community supports (e.g., Home Care) may be eligible.

An applicant must meet and maintain the following minimum standard of wellness as an entrance requirement to the Lodge:

- Is able and willing to participate in the activities of the lodge and to benefit from the lodge environment and lifestyle. For example, can:
 - negotiate long hallways;
 - participate in family style dining;
 - manage personal laundry;
 - live with independence and safety in the lodge setting; and,
 - understand and follow instructions for evacuation in case of a fire; etc.).
- Has stable health, and any medical conditions are manageable within a lodge setting (e.g., making use of available community support systems, etc.).
- Is willing and able to maintain personal care and hygiene (e.g., bathe at least once a week or more often, if necessary). They are also able to handle their own toileting without help, and if there is some degree of incontinence, is willing and able to manage that incontinence without help.

- Is able to move about independently or with the use of mechanical aids, and can move from lying down to sitting to standing without help.
- Is not in need of extensive guidance and direction from others to get through the day (i.e., is not suffering from dementia, etc.).
- Is not assessed by Home Care as requiring Designated Supportive Living level 3 (DSL3) or higher (e.g., long term care).
- Has a family member or designate to tend to personal needs beyond the scope of lodge staff (e.g., transportation to appointments, assistance with financial matters).
- Has regular dietary needs. Please note that specialty diets which require close supervision cannot be met in the lodge setting.
- Is willing to live in a lodge and abide by the lodge rules and regulations.
- Agrees to a trial period of 30 days. Within that period, either party has the right to withdraw from the agreement if companionable living arrangements cannot be made. A notice period of one month is required.

APPLICATION PROCESS

Applications are placed on a waiting list in order of priority and need, based on your responses to the questions.

Your application cannot be reviewed unless all of the questions have been answered and a copy of your latest tax return *Notice of Assessment* has been included with your completed application.

The process for potential admittance is as follows:

1. A completed Application Package, including a copy of a current *Notice of Assessment*, is submitted.
2. Applicants (including Co-Applicants, if applicable) are then rated and placed on a Waiting List in order of need based on a provincial Point Scoring System.
3. When a room in the lodge becomes available, the most appropriate applicants are contacted. The applicant(s) will be invited to a tour and interview at the lodge with the Manager. The applicant(s) may also be required to provide written consent for the exchange of pertinent information between the Manager and the Applicant's Service Provider (e.g., Home Care, Mental Health).
4. Once the interview(s) have been conducted, the room will be offered to the most suitable Applicant. At this time, the Applicant(s) will sign a Tenancy Agreement, as well as any other relevant forms relating to residency at the Lodge.

Please Note: An application for lodge residency does not guarantee that you will be accepted for lodge accommodation.

CHECKLIST

Thank you for your interest in our lodges. This checklist has been provided for your convenience so that you can ensure that you have provided us with all of the information necessary to begin processing your application. Please double-check your application package and ensure that you have:

- filled out all of the personal information on **page 7** (for both the applicant and the co-applicant, if applying as a couple);
- completed the *Lodge Application Form Questionnaire* on **pages 9 – 15**;
- answered all of the questions regarding accommodations on **page 14**;
- included a copy of a current *Notice of Assessment* for **each** applicant.

Once all portions have been completed, the Lodge Application Package can be sent to:
