INDEPENDENT AUDITORS' REPORT

To the Board of Directors of the Lacombe Foundation

Opinion

We have audited the financial statements of the Lacombe Foundation (the "Foundation"), which comprise the statement of financial position as at December 31, 2025, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Foundation as at December 31, 2025, and the results of its operations and the changes in its net assets and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.

- Evaluate the appropriateness of accounting policies and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NATURE OF OPERATIONS

Lacombe Foundation was established by Ministerial Order, pursuant to the Alberta Housing Act. It is responsible for the operation and administration of Lacombe Senior Citizens' Lodge, Eckville Manor House, Terrace Heights Affordable Housing in Lacombe, Alberta and Blackfalds Affordable Housing in Blackfalds, Alberta. The Foundation qualifies as a not-for-profit organization as defined in the Income Tax Act and is exempt from income taxes.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Presentation

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

(b) Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and balances with banks. All amounts are readily converted into known amounts of cash and are subject to an insignificant change in value.

(c) Tangible Capital Assets

Tangible capital assets are stated at cost less accumulated amortization. Contributed capital assets are recorded at fair value at the date of contribution. When fair value cannot be reasonably determined, the capital asset is recorded at a nominal value. Tangible capital assets are amortized over their estimated useful lives at the following rates and methods:

Buildings	20 to 25 years, Straight-line method
Equipment	4 to 10 years, Straight-line method

Work in progress is not amortized until the assets are available for use.

(d) Long-lived assets

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The Foundation writes down long-lived assets held for use when conditions indicate that the asset no longer contributes to the Foundation's ability to provide goods and services. The assets are also written-down when the value of future economic benefits or service potential associated with the asset is less than its net carrying amount. When the Foundation determines that a long-lived asset is impaired, its carrying amount is written down to the asset's fair value.

(e) Revenue Recognition

The Foundation follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions for tangible capital assets are recorded as deferred contributions until spent. Once spent, they are transferred to unamortized capital allocations which are amortized to revenue on the same basis as the tangible capital assets acquired by the contribution.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(f) Revenue Recognition (cont'd)

Rent and recoveries are recognized as revenue in the year the service is provided.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

(g) Internally restricted net assets

The Foundation's Board of Directors hold internally restricted net assets in reserves to be used for specific purposes (see details in Note 12). These internally restricted amounts are not available for general purposes without approval by the Board of Directors.

(h) Contributed materials and services

Contributions of materials and services are recognized in the financial statements at fair value at the date of contribution, but only when a fair value can be reasonably estimated and when the materials and services are used in the normal course of operations, and would otherwise have been purchased.

(i) Measurement uncertainty

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenue and expenses during the reporting period. Significant areas requiring the use of management's estimates include the useful lives of tangible capital assets, the corresponding rates of amortization and the amount of accrued liabilities. All estimates are reviewed periodically and adjustments are made to the statements of operations as appropriate in the year they become known.

(j) Financial Instruments

Measurement of financial instruments

The Foundation initially measures its financial assets and financial liabilities at fair value, and subsequently measures all its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include cash and cash equivalents, guaranteed investment certificates and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities and callable debt.

The Foundation has no financial assets measured at fair value.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the statement of operations.

2. CASH AND CASH EQUIVALENTS

	2025	2024
Operating accounts	$ **1,594,178**	$ 1,800,373
Security deposits	**40,014**	38,818

	$ 15,903,208	$ 10,344,573	**$ 5,558,635**	$ 5,967,269

Work in progress relates to the preliminary concept drawings for the redevelopment of the new Lacombe Lodge. No amortization of this asset has been recorded during the current year because it is currently under development.

6. BANK INDEBTEDNESS

The Foundation has an operating line of credit with an authorized limit of $175,000 (2024 - $175,000) which bears interest at prime plus 1%. In addition, the Foundation has a Mastercard facility available with a limit of $15,000 (2024 - $15,000) which bears interest at prime plus 2%. As at December 31, 2025 a total of $0 (2024 - $0) has been drawn on the line of credit and a total of $0 (2024 - $0) has been drawn on the Mastercard. The line of credit and Mastercard are secured by the same security as disclosed in Note 9 for callable debt.

7. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

	2025	2024
Employee future benefits payable	**$ 164,873**	$ 148,242

Amounts payable within one year	(63,644)	(62,356)
	$ 1,256,744	$ 1,316,131

Although the bank loans are of a demand nature, the Foundation does not believe that the demand feature will be exercised. Accordingly, the scheduled principal repayments on the callable debt for the next five years are as follows:

2026	$ 63,644
2027	67,207
2028	70,970
2029	74,943
2030	79,139
Thereafter	964,485

The collateral security pledged by the Foundation to support the callable debt is a first charge over land and building with a carrying value of $5,211,215 (2024 - $5,601,658) and an assignment of rents.

10. DEFERRED CONTRIBUTIONS - TANGIBLE CAPITAL ASSETS

Deferred contributions related to capital assets represent restricted contributions from government and donations with which some of the capital assets were purchased. The changes in the deferred contributions balance or the year are as follows:

	2025	2024
DEFERRED BALANCE, BEGINNING OF YEAR	**$ 2,131,212**	$ 2,430,378
Less: Amounts recognized as revenue	**(215,183)**	(299,166)
BALANCE, END OF YEAR	**$ 1,916,029**	$ 2,131,212

11. RELATED PARTY TRANSACTIONS

The Bethany Nursing Home of Camrose, Alberta acts as a Chief Administrative Officer (CAO), providing management, administrative, and operational support for the Foundation.

The Foundation paid management fees of $183,900 plus $8,190 for network and administrative support to Bethany Nursing Home of Camrose, Alberta for the year ended December 31, 2025 (2024 - $183,900 plus $8,190 for network and administration support).

As at December 31, 2025, the amount payable to Bethany Nursing Home of Camrose, Alberta is $10,642 (2024 - $63,121) and the amount receivable is $58,470 (2024 - $18,299) .

These transactions were in the normal course of operations and were recorded at the exchange amount, which is the amount agreed upon the related parties.

12. INTERNALLY RESTRICTED NET ASSETS

Village of Clive	**6,125**	5,680
	$ **875,000**	$ 800,000

14. FINANCIAL INSTRUMENTS

The Foundation maintains a risk management framework to monitor, evaluate, and manage the principal risks assumed with financial instruments. The risks that arise from financial instruments include liquidity and market risk; market risk arises from changes in interest rates and other price risks.

Market risk

The Foundation's financial instruments expose it to market risk, in particular interest rate risk on temporary investments. There has been no significant change in risk from the prior year. The guaranteed investment certificates bear interest at a fixed rate and the origination is therefore exposed to the risk of changes in fair value resulting from interest rate fluctuations. The Foundation's callable debt consists of loans that are subject to fluctuations in interest rates. The Foundation does not use derivative financial instruments to alter the effects of this risk.

Liquidity risk

Liquidity risk is the risk the Foundation may encounter difficulty in meeting its obligations associated with its financial liabilities as they become due. The Foundation's exposure to liquidity risk is dependent on the receipt of funds from a variety of sources, whether in the form of revenue or advances. There has been no significant change in risk from the prior year.

Credit risk

The Foundation is exposed to credit risk in connection with its receivables. The Foundation does not obtain collateral or other security to support the receivables subject to credit risk, and does not anticipate significant loss beyond what is already provided for as an allowance for doubtful accounts. There has been no significant change in risk from the prior year.
